Caroline,

That sounds fine. I will draft the CBI Agreement initially for Glenn Springs Holdings, Inc.

Thank you. I spoke with Frank Parigi and he confirmed that only Glenn Springs Holdings, Inc. (GSH) employees would see the invoice. Frank suggested that, assuming you are agreeable this approach, he would reach out to you and request additional signatory companies if the need arose to distribute the document to any another Oxy entity. In the meantime, our internal procedure would be to stamp the document noting that it is CBI (GSH Eyes Only) and subject to an EPA/CBI Agreement.

Thank you,

Caroline

Subject: Diamond Alkali Site - Newark Bay Study Area oversight bill

Dear Ms. LeMire,

I appreciate the prompt payment of the Newark Bay invoice. While the Newark Bay Order does not require EPA to provide additional documentation (see paragraph 96.c.), in the spirit of cooperation, I will agree to send you the Army Corps invoices if Glenn Springs signs a confidential business information (CBI) agreement with EPA. Will employees of Occidental also be reviewing this documentation? If that is the case, I would also need to add Occidental to the agreement also. I will prepare our standard CBI agreement and email it to you.

Regards,

Amelia
